

UNIVERSITY OF ROCHESTER
ECOLOGY AND EVOLUTIONARY BIOLOGY
SEMINAR SERIES • FALL 2011 (REVISED 8/30/11)

- Sept 16**
Friday
(3 pm, 316) Dr. David Stern, HHMI at the Janelia Farm Research Campus, Ashburn, VA
"How a complex enhancer region contributes to phenotypic robustness and morphological evolution"
- Sept 23**
Friday
(3 pm, 316) Dr. Sarah Kingan, University of Rochester, Department of Biology
"Divergence Population Genomics of the *Drosophila simulans* clade"
- Sept 30**
Friday
(3 pm, 316) Dr. David Wheeler, University of Rochester, Department of Biology
"Exploring the venom repertoire of *Nasonia vitripennis*"
- Oct 7**
Friday
(3 pm, 316) Dr. Amro Zayed, York University, Department of Biology
"Honey bee genes, behavior and adaptation"
- Oct 14**
Friday
(3 pm, 316) Dr. Xu Wang, Cornell University, Department of Molecular Biology and Genetics
"New insights in X inactivation in mice and equids"
- Oct 21**
Friday
(3 pm, 316) Dr. Robert Minckley, University of Rochester, Department of Biology
"Bees in drought, and when moistened"
- Oct 28**
Friday
(3 pm, 316) Dr. James Fry, University of Rochester, Department of Biology
"TBA"
- Nov 4**
Friday
(3 pm, 316) Dr. Daven Presgraves, University of Rochester, Department of Biology
"New findings on the evolution, expression, and regulation of the *Drosophila X* chromosome"
- Nov 11**
Friday
(3 pm, 316) Dr. Michael Nachman, Univ. of Arizona, Department of Ecology and Evolutionary Biology
"The genetic basis of reproductive isolation in house mice"
- Nov 18**
Friday
(3 pm, 316) Dr. John Colbourne, Indiana University, Department of Genomics And Bioinformatics
"Duplicating Genes Allow *Daphnia* Populations to Thrive in Toxic Environments"
- Nov 25**
Friday Thanksgiving holiday—no talk scheduled
- Dec 2**
Friday
(3 pm, 316) Daniel Scantlebury, University of Rochester, Department of Biology
"A Post MacArthur-Wilson Perspective of Island Biogeography: the View from Madagascar"
- Dec 9**
Friday
(3 pm, 316) TBA

Refreshments Provided

Seminars are held on Thursdays and Fridays at 3pm Hutchison Hall 316, River Campus. Contact the Biology Department at 273-1139 at least 4 days in advance to request any special accommodations or if you would like to meet with an outside speaker. This schedule can be found on the Biology Department Seminar Calendar: <http://www.rochester.edu/College/BIO/seminars.php> or the U of R Medical Center Scientific Events Calendar: <http://www.urmc.rochester.edu/calendar/>
